TRUSTEE MERRILL SPRINGS SURPRISE BY RESIGNING FROM TOWN BOARD

The regular session of the city council last Monday evening was one of far more than usual public interest, marking as it did, not only the retirement from the service of the city of Trustees Sampson and Tuchsen, whose terms of office expired, but also that of Trustee George A. Merrill, whose resignation was tendered to and accepted by the council. In tendering his resignation, Trustee Merrill urged that it be given immediate acceptance, pleading that his duties as a member of the County Draft Board, in which he has been exceedingly active during the past year, were such as to preclude the possibility of his giving to the conduct of the business of the city that attention which he felt present conditions rendered imperative. Voicing regret that circumstances should require his retirement before the completion of the term for which he had been elected, Truste Merrill called attention to the fact that, owing to changed conditions in the financial affairs of the city, due to the loss of revenue which must follow the closing of the saloons, much more than the usual time must be given by the trustees to the solution of city business. This, he explained, could not be done by him without neglect of his duties to the National Government, which at this time he considered paramount. In the face of this urgent plea the resignation was accepted, although with many evidences of reluctance.

Beyond this action and the reorganization of the council following the seating of its new members, but little in the way of public interest occurred, almost the entire time being devoted to the cleaning up of pending routine business.

Two applications for the extension of city water mains to accommodate new residence sections were granted.

The application of the Picwick Stages Co., for a permit to operate a motor bus line through the city over the County Road was granted.

Applications for similar permits were filed by the Bay Shore Delivery Co., and Auto Traffic Co., were received and set for hearing at the next regular session of the council.

But one bid was received for the improvement of Vera avenue, that of A. Hess and Co., who offered to complete the work at a total cost of $10,475. This bid being within the estimate of the City Engineer, the contract for the work was awarded on the bid.

City Engineer Dimmitt presented a lengthy detailed report on the proposed extension of East Bradford street to the industrial section of the city. The report was filed without discussion, it being the opinion that the matter was one for consideration by the new board.

Trustee Tuchsen reported that he had been unable to secure from Colonel Jons any modification of the present discriminatory regulations agains this city. He had, however, been assured that in the near future the matter would be given consideration.

Resolutions expressing regret at the death of Joseph N. Winter, for a number of years Chief of the Fire Department, and conveying to the family of the deceased the condolences of the trustees were presented by Trustee Mabie and were adopted.

With pending business cleared up, the council proceeded to the canvas of the returns of the recent city election. This showed no change in the already published results and the usual resolutions certifying to the election were adopted.

Following this a motion to adjourn sine die was offered by Trustee Tuchsen and carried.

Trustees Merrill, Sampson and Tuchsen then surrendered their chairs and George A. Kreiss and Mark A. Ryan were seated as the new members of the council.

In the reorganization of the council there was an entire absence of ceremony. Following the regular routine City Clerk Price called the new council to order and asked for the selection of a permanent presiding officer.

Without comment, Trustee McNulty placed in nomination Trustee Carl K. Mabie, who was elected without opposition. For the past two years Trustee Mabie has occupied the important position of chairman of the police committee of the council.

In assuming the chair Mayor Mabie returned his thanks for the honor conferred and announced to the vacancy on the board due to the resignation of Trustee Merrill he would not attempt to name the regular standing committees, deferring this until a successor to Trustee Merrill should be selected.

City Clerk Price announcing that he had no new business to present, on motion of Trustee McNulty the council adjourned out of respect to Joseph N. Winter.

THE CHAUTAUQUA WILL OPEN IN REDWOOD JUNE 27; FEATURES TO BE VERY PATRIOTIC

The Chatauqua will open this year in Redwood City on May 27th and continue until June 2nd. Patriotism will be the keynote of the 1918 program. There will be three government accredited lecturers, one reporting conditions in the war zone, one our home war problems and the other on food conservation.

The musical feature of the Chautauqua this year will be Thaviu's Exposition band—the great musical organization that both opened and closed the San Francisco Exposition. They will give two full concerts in Redwood City May 31st. It is the largest and by all means the best band ever sent over the Western Chautauquas.

The first announcement of the Chautauqua program for this season indicates clearly that it is dedicated chiefly to national service. President Wilson has strongly endorsed the Chautauqua in a letter saying, "Let me express the hope that you will let no discouragement weaken your activities, and that the people will not fail in the support of a patriotic institution that may be said to be an integral part of the national defense." That the other officials of Washington are of the same mind is evidenced by the fact that the Government has requested special lecturers to be sent over every Chautauqua circuit in the United States.

Probably the most important government- accredited lecturer to appear on our week's program will be Lincoln L. Wirt, war correspondent direct from the Western Front. He was sent by the government solely to obtain information on the actual conditions in Europe and to present them to Chautauqua audiences. He sailed for Europe February 13th and brings the last word from the war zone, dealing chiefly with Pershing and "our boys" in the American section of the line.

The U. S. Food Administration, under the direction of Herbert Hoover, is sending a food demonstrator to Chautauqua on the morning of the last day to present new recipes and manners of conserving food which have been evolved in the government kitchens at Washington. This demonstration will be free to everyone.

Another lecturer commissioned by Washington, Dr. C. J. Bushnell, who will be in constant touch with the Bureau of Information, will present at Chautauqua our war problems, as seen by the government, on this side of the Atlantic.

Perhaps the most thrilling and interesting war lecture of the week will be that given by Capt. J. M. de Beaufort of the Belgian Artillery. Capt. de Beaufort is the author of "Behind the German Veil", one of the "best sellers" among present year war books, now in its seventh edition. Bearing a letter from Von Hindenburg's nephew, which acted as a magic passport, he spent four months in Germany, visiting naval and Zeppelin bases, the Russian front, and interviewing many of the big German military leaders, including Hindenburg.

Other prominent lecturers of the week will be, "Burns of the Mountains", H. V. Adams, Ned Woodman and Edna Eugenia Lowe.

Quite a departure from ordinary Chautauqua attractions will be presented on the third night in "Plays of Our Allies' by the Luzerne Players. These are short dramas, masterpieces of the great European playwrights, truly portraying the life of our allied peoples.

A strong patriotic note will be reached in the music of the week. The feature attraction for the first night will be the "Old Soldier Fiddlers" under the direction of Col. J. A. Pattee. These old veterans of the Civil War, two from the North and two from the South, present a rousing patriotic program of instrumental music, camp-fire and war time songs. The most noteworthy musical attraction of the week will be on the fifth day when Thaviu's Exposition Band comes to Chautauqua for two programs. This band was honored with opening and closing the San Francisco Exposition and is both the largest and best band ever brought over the Western Chautauquas. In their evening program they will be assisted by three Chicago grand opera singers. Other musical attractions will be the Treble Clef Club; Morrison-Smith Company; Zedeler Symphonic Quintet and the Fenwick-Newell Concert Company.

The closing evening at Chautauqua will be known as "An Evening in Hawaii", featuring the Royal Hawaiian Quintet and Mildred Leo Clemens in her illustrated travelogue "Traveling Through Paradise". Miss Clemens, cousin of Mark Twain, journeyed to the Hawaiian Islands fifty years after Mark Twain's sojourn there, visited the places he has made famous in his writings and brings remarkable dissolving views and motion pictures of the places of interest, including Mt. Kilauea, Hawaii's active volcano.

PHELPS ESTATE EXECUTORS CITED TO APPEAR IN COURT

Virginia Lord has petitioned the superior court stating that the executors of the estate of Josephine A. Phelps, deceased have neglected and failed to pay her, pursuant to the order of the court made on July 5, 1917, the sum and annuity of $200 due and payable on April 5, 1918.

Judge Buck has issued a citation to Will H. Chipman and the Union Trust Company of San Francisco, executors of the last will and testament of Josephine A. Phelps, deceased, to appear in court this morning at 10 o'clock and show cause, if any they may have, why the sum should not be paid acording to the order so made and entered last July. W. C. Sharpstein represents the executors and Ross and Ross, Mrs. Virginia Lord.

PATRIOTIC CITIZENERY OF REDWOOD HEAR JOHN L. McNAB

Last evening Sequoia theatre was crowded to the door with an enthusiastic gathering of patriotic citizens who had come to hear the eloquent words of John L. McNab, the principal speaker of the evening.

Charles Helser presided and made a short and able address. L. P. Behrens, chairman of the San Mateo County Liberty Loan Committee also spoke upon the eagerness with which the people were buying bonds and the splendid patriotic spirit the whole peninsula was showing in the present drive.

Mr. McNab spoke over an hour, delivering an eloquent and impelling address that was punctuated with applause and enthusiastic hand clapping. He was earnest, throwing his whole soul into masterly speech and arousing intense patriotism which found full vent in hearty cheering.

The meeting was one of the most successful ever held in this city, there being a demonstration of more patriotism than was ever witnessed here before.

In only a few days Redwood City's quota of $175,000 had been subscribed and up to last evening over $250,000 Liberty Bonds had been sold. It is believed the half-million mark will be reached before the end of the drive on May 4th.

ED. R. HURLBUT, PUBLICITY AGENT FOR E. A. HAYES

J. O. Hayes, of San Jose, the popular candidate for governor, has shown wisdom in the selection of his publicity manager in the person of Ed. R. Hurlbut, a former Redwood City resident, a graduate of the local high school and of Stanford, and author of the Lannigan stories which created a sensation in the San Francisco Chronicle some years ago. Mr. Hurlbut is not only a clever writer, but is also well posted on political matters of the state and nation and is acquainted with almost every politician of note from Siskiyou to San Diego. Four years ago he managed the publicity campaign of W. C. Ralston, who aspired to the governorship. Mr. Hayes has secured the services of the right man and if clever and tactful "write ups" can win, Mr. Hayes will surely be the chief executive of the state next year.

Emelio Demartini Passes Away

Curran and Mrs. Delia Zimmerman of Redwood City, died Wednesday morning at the home of his parents, Mr. and Mrs. Paul Demartini, on Arguello street in Redwood. He had been in ill health for more than a year but the direct cause of his death was an attack of pneumonia which developed two weeks ago.

Demartini was only 40 years old and was a graduate of the Redwood City grammar school, afterward engaging in business with his father.

The funeral will be held this morning with services at Mount Carmel Catholic church at 9:30 o'clock followed by interment at Holy Cross Cemetery.

RAY GRIFFIN TOSSES HIS HAT IN THE POLITICAL RING

Ray Griffin, the popular notary public located in the court house, has announced his candidacy for justice of the peace of the third township. Mr. Griffin is a graduate of the local high school and has spent the greater portion of his life in Redwood City. He is a good campaigner, a hard worker and will make a thorough canvass of the township for the nomination. The primaries will be held on August 27th.

The trustees of Sequoia Union high school have decided to eliminate the teaching of the German language in the school at the end of the present semester. This was agreed upon at a special meeting of the board during the week. Most likely Spanish or French will be substituted for this study.

SENTENCED TO 90 DAYS FOR TAKING LIQUOR INTO CAMP

Judge Seely on Thursday sentenced Lillian Bauder to serve 90 days in the county jail for having in her possession a suit case containing 12 bottles of beer at Camp Fremont. The woman, accompanied by two other ladies and two soldiers, drove into the cantonment at 2 o'clock Thursday morning in an automobile driven by John Papulas. They were all arrested by James B. Logan, the traffic officer, and brought to Redwood City. They were permitted to go with the exception of Lillian Bauder and the driver. Both pleaded guilty in Judge Seely's ourt Thursday afternoon. Papulas was sentenced to serve five days. He is the owner of the car and hired it to the party to come to the camp. It is believed the liquor was brought to the camp to be sold to the soldiers. The woman resides with her sister in San Francisco. She made a tearful plea for leniency but the court was obdurate, saying that all such violations of the law would be punished to the fullest extent..

SON OF REDWOOD MINISTER NOW AN ENSIGN IN NAVY

Arthur Stevens, oldest son of Rev. and Mrs. C. H. Stevens, left for San Francisco to assume his duties as an ensign in the U. S. Navy. Young Stevens enlisted some time ago and secured the position on the fact that he was given a rating as a second engineer, having been employed as such for a number of years by the Pacific Coast Steamship Company. The commission corresponds to that of a first lieutenant in the army. Mr. Stevens is a most exemplary young man, has ability and plenty of stamina to make him an ideal officer.

REDWOOD CITY IS FIRST WITH ITS QUOTA; WIN HONOR FLAG

Redwood City has gone over the top. Early in the week this city exceeded its quota in Liberty Bonds amounting to $175,000 by double that sum. It was the first cityon the peninsula to subscribe its full quota and has been awarded the honor flag. This speaks volumes for the patriotic spirit of the citizens of Redwood City and demonstrates that the people may be depended upon to do their full measure of work in these trying times.

L. P. Behrens, chairman of the Liberty Loan Committee of the peninsula, has received the following letter from J. K. Lynch, general chairman of the executive board of the twelfth district:

Mr. L. P. Behrens,
Chairman Liberty Loan Committee,
Redwood City, Cal.

Dear Sir:

The General Executive Board has today aproved the awarding to your city of the first Official Honor Flag of the Third Liberty Loan.

The Committe wishes to congratulate you and all who assisted you, on the magnificent spirit of patriotism and unselfishness which has characterized your efforts in the Third Liberty Loan Campaign. The Committee hopes that the splendid spirit which has enabled your cummunity to win this Honor Flag will be continued througout the remaining days of the campaign.

Your patriotic response to the Nation's call is a stimulus to all of us and we will watch with interest and best wishes for your further success, the daily reports from your district.

REDWOOD LOSES GOOD OFFICIAL

The retirement of Geo. A. Merrill from the town council is a matter of deep regret. The citizens of Redwood City appreciate the splendid services he has rendered the city during the ten years that he has been a member of the board of trustees. Mr. Merrill is an able and capable man, possessing wonderful executive ability. He gave his time and talents free to the people and did his full share in making Redwood City what it is today, a flourishing municipality, attractive, and the Mecca of the home seeker from all sections. In his retirement Mr. Merrill carries with him the best wishes of the people of Redwood City, whom he has served so ardently and so well and with superior ability.

WORKS FOR AID OF BONDS

Congressman Everis A. Hayes of California, the ranking Republican member of the House Committe on Banking and Currency, has been active in securing the passage of the bill authorizing banks to loan money on Liberty Bonds in excess of the loan limit of ten per cent of their capital and surplus now imposed by law. Mr. Hayes holds that it would be a distinct encouragement to individuals to purchase the bonds if it was known that they could be taken to the bank at any time and their face value borrowed on them as security. After the provisions of the measure had been explained to the House by Mr. Hayes the bill was passed without a dissenting voice, and it is expected that little difficulty will be found in getting it through the Senate and approved by the President.

There are 262 John J. O'Briens in the files and in fifty cases the wife's name is "Mary." There are 15,000 Millers and 15,000 Wilsons. There are 1000 John Browns and 1200 John Johnsons. It is not enough to say "George Miller," for there are 1040 of these.

Articles of Incorporation Filed

The South Bay Terminal Company has filed articles of incorporation in the county clerk's office. The capital stock of the concern is $10,000 divided into 100 sares at a par value of $100 each. The actual amount of stock subscribed is $300 by the following stockholders who have subscribed one share each: Charles W. Willard, F. F. Thomas and W. W. Ferrier, Jr., all of San Francisco, where the principal place of business of the concern is to be located.

Election Contest Filed

J. F. Turner has filed an election contest in the superior court against Mayor Frank . Simmen. Both aspired to be trustees at the city election held at San Mateo on April 8th. Mr. Simmen received 675 votes and the plaintiff 674 votes. Turner in his complaint alleges misconduct on the part of the election officers and also that votes that were counted for defendant should have been counted for palintiff. The date for hearing has been set for April 29th.

Judgment Filed

A judgment has been filed in the county clerk's office in the damage suit of Ethel I. Andreasen, administratrix of the estate of A. M. Andreasen, deceased, who was killed in an automobile accident, against Herbert Levy. The latter ran into Andreasen last March killing Andreasen almost instantly. The accident was unavoidable. Levy at once paid the widow the sum of $500 and in order to make the transaction legal the suit was brought. The coroner's jury exonerated Levy from all blame.

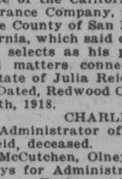
IT IS ALMOST GARDEN TIME

A few days ago there was a touch of Spring in the air—how about the garden? This year, more than ever, it must be a war garden. The crops from the big farms must go to feed the boys "over there" – the home garden, must do its bit in a big way. It must be planted efficiently, economically, and expertly. It must be planted with a certainty as to results.

Pakro Seedtape will help you to have a better, a more efficient garden. It is the scientific way of planting. The seeds are evenly and accurately spaced in a thin paper tape. Any whole row is planted at a time, resulting in straight rows of evenly spaced plants. Thinning out is practically eliminated.



Pakro loose seeds are the same *Quality Seeds* that are in the tape. These seeds are thoroughly tested and selected from the very best stock. A Pakro Garden, either Pakro Seedtape or Pakro Loose Seeds, is a successful garden. Your dealer has over 118 varieties of Pakro Seedtape and Seeds. Order your seeds to-day.

This Home Garden Book is written by Mr. E. L. D. Seymour, associate editor of the "Garden Magazine" and "Country Life in America." It is bound in board, 48 pages, and profusely illustrated in color. It is a text-book of the garden. It tells in simple terms how to plan your garden and how and when to plant. Write to-day to the American Seedtape Company, 365 Ogden Street, Newark, New Jersey for a copy of this book. Price 50 cents stamps or money order.

REPORT OF SESSION OF BOARD OF SUPERVISORS

(Continued from page 4)

Fremont with the idea of picking up passengers only at the latter point, was received and ordered filed.

Roy H. Curran of Redwood City, appeared before the board and presented a petition signed by a number of ta-payers and residents of San Carlos, asking for the establishment of what is to be known as the San Carlos Highway Lighting District. F. H. Drake of Redwood City was called and after being sworn, testified as to the validity of the names on the petition.

A resolution seting Monday, May 13, as the time for hearing the petition, was adopted, on motion of Brown seconded by Francis.

The report of Miss Anne Bell Bailey, county librarian, showing expenditures for the month of March of $244.01, was received and ordered filed.

The report of James R. Eubanks, superintendent of the conuty farm and hospital, showing that he had cared for 64 inmates during the month of March, 4 of whom had been discharged and 2 had died, was received and ordered filed.

The following persons having complied with the county ordinance were granted dance permits:

Antone Croce, Colma; John Foppiano, Millbrae; Alex Bognanzi, La Honda; J. May Barrow, Millbrae.

An application for a dance permit was received from Frederick Formann of San Pedro and the hearing in the same was set for Monday, May 7th.

The board decided to take action at this time on a number of applications for jitney permits, the hearing on same having been continued from the meeing of Monday, April 1, on account of the applicants not being present at the meeting and for other reasons. District Attorney Swart conducted the hearing, putting each applicant through a thorough examination and satisfying himself as to merits of each case before recommending to the board the granting of the permits.

On motion of Francis, seconded by Brown, it was ordered that the sum of $300 be set aside for the use of Douglas S. Watson, county food administrator, to assist him in carrying on his work.

Supervisor MacBain addressed the board and stated that County Purchasing Agent Werder had bought the necessary furniture for the upper floor in the old county jail and that it was now being installed, and made ready for the use of the building as a detention home. He said it was now necessary to secure a matron for the place, and he moved that Mrs. W. H. Kinne of Redwood City be appointed to this position at a salary of $65 a month and to be allowed 30 cents a meal for each person, she agreeing to furnish the lower floor of the building. The motion was seconded by Francis and carried.

On motion of Brown, seconded by Francis, it was ordered that a claim of a Chinese interpreter for work performed in Judge Lamb's court at Burlingame, be reduced from $10 to $5.

A communication was received from the Southern Pacific Railroad Company relative to a lease that the company had granted the county for the construction of an underground oil tank and oil pipe on their property at Menlo Park. The company complained that contrary to the provisions of the lease, a surface tank and shed had been erected on said property. The communication was ordered referred to Supervisor. MacBain.

Thirty-three new applications for jitney permits were received a nd read, and on motion of Brown, seconded by Francis, the hearing in the same were set for Monday, May 6th, and the notices of hearing were ordered published in the different papers of the county.

District Attorney Swart presented and read a complaint against Manuel Dutra, Pescadero saloon keeper chargeing him with conducting his place in a disorderly manner, one of the specific charges against him being the selling of liquor to intoxicated men, particularly those employed in the nearby lumber mills.

Following the reading of the complaint, it was ordered, on motion of MacBain, seconded by Francis, that the license of the accused man be suspended and that he be cited to appear at the next meeting of the board on Monday, May 6, and show cause why his license should not be revoked.

W. D. Rennard of Rockaway Beach in the First township, was granted a liquor license, he having complied with the county ordinance and furnished the required bond.

The board adjourned at 3:40 p. m., to Monday, May 6th.

"ZIONISM" SUBJECT DISCUSSED AT BAPTIST FORUM SUNDAY

The forum meeting at the Baptist church, Sunday evening, given by Marvin Lowenthal, on Zionism, was very able and illuminating. He first traced Jewish life from the fall of Jerusalem, 70 A. D., to the beginning of last century, at which time Zionism had its inception. Although they were scattered to all nations, they maintained their own customs and religion. This was especially true of those in Eastern Europe. Their children were taught in their own schools, the chief study being the Hebrew Scriptures. Their laws were an elaboration of the books of Moses. They had their own language, known as yiddish. Although the Zionist movement is somewhat late in origin, the hope of returning to their own land as a nation has always persisted among the Jews. They grew up the thought that they could not get back of themselves, and they came to imagine the coming of theMessiah riding on a white horse, who would carry them into Palestine in splendor.

The 19th century brought a change The community life was largely broken up and they mingled among the people, giving up their own distinctive customs. But the orthodox Jew regarded this mingling as a menace, a real loss. For there can not be perfect assimiliation. That is especially true where the Jew is enduring persecution, as in Russia. Because the Jew must always remain apart from the rest of mankind, there grew up the Zionist movement; he wished to live his own life unrestrained. And this he could only do in his own land, Palestine. 30 years ago Jews from Russia began to immigrate to Palestine. They wanted their children to be Jews. There are now in Palestine 45 agricultural colonies under a modern system. The Hebrew language is taught in their schools and used in common conversation. They are beginning a new democracy. The arts are being developed. In a school of art in Jerusalem they are turning out 900 students skilled in brass and other metal works. Hebrew is now spoken in the world more largely than ever before. A book a day is produced in Hebrew, What will they give to the world when they become established as a nation? It will be mainly religion. This will be featured in social justice. This movement is now backed by half the world nations. A large part of the colonies in Palestine is now under the British flag. They are now preparing for new colonies, making surveys etc.

THOMAS CASEY OF MENLO PARK DEAD

Dennis Casey, a resident of Menlo Park for almost 40 years, passed away at his home on Oak Grove avenue Tuesday following an attack of pneumonia. He had been ailing for some months but his illness was not considered serious.

Mr. Casey was born in Tipperary on December 14, 1831. As a boy of 12 years he came to Pittsburg, Penn., where in due time he became apprenticed to the shoe making trade. He was an expert mechanic having been employed by the largest shoe dealers in the east. He came to California in 1879 settling in San Francisco. He engaged in the shoe business here in 1884 and continued in it until his retirement some years ago when his son, Thomas Casey, assumed charge of the establishment.

Mr. Casey was a splendid citizen, well-liked for his numerous good qualities of heart and head and none knew him but to admire him. A thoroughly honest man he had the confidence of everyone. His neighbors all speak highly of him for his considerate treatment of them at all times and under every circumstance. He loved his home, there spending all his leisure time under his own vine and fig tree. Mr. Casey was an omniverous reader and until his sight became impaired read almost continually. He was well posted on all questions of the day and could readily debate on almost every subject.

Mr. Casey's wife predeceased him eleven years ago. He is survived by one son, Thomas Casey, who administered to his father's every want in child-like devotion. The two were inseparable. Such filial affection is not so often seen in these day of advanced civilization, but it is certainly admired by everyone.

The society has 20 enthusiastic members. The splendid offer of Mr. and Mrs. A. Neuman of a charming bungalow within the shadow of the tall redwoods and set in a bower of roses and surrounded with flowering trees and shrubbery as a permanent meeting place has been accepted. On Wednesday it was decided to form a Red Cross chapter or unit. The bleachers so greatly desired at Camp Fremont for the big athletic field under consideration, will be constructed. Word to this effect was received at Camp Fremont yesterday. It was stated that an appropriation of $4000 had been made by the war department's commission on training camp activities.

The bleachers are expected to cost in the neighborhood of $7,500, and it is not thought that any great trouble will be experienced in securing donations to cover the deficiency.

The athletic field plan has received the hearty indorsement of Major General John F. Morrison.
